

ANALYST CALLS — only players you can actually reach

De-duplicated and joined to the board. ↑ target calls, ↓ downgrades. **BUY** = our own two panels are also ahead of ADP. Quotes verbatim, typos and all.

Read the provenance first. Of 222 raw rows, **42 were the same call counted twice, 189 carry no date at all**, 8 of the 33 dated ones are from **2025**, 36 are unattributed, and 11 names were mis-transcribed from audio. **A reading list — not evidence.**
